THE NATIONAL COUNCIL FOR GEOGRAPHIC EDUCATION ANNOUNCES 2018 AWARD WINNERS

Celebrating the best geography educators of 2018

WASHINGTON D.C. - For over 100 years the National Council for Geographic Education (NCGE) has worked to enhance the status and quality of geography teaching and learning at all levels of instruction. Through our annual awards program, NCGE recognizes excellence in geography teaching, mentoring, research, instructional design and service.

Award nominations are received each year from geography teachers, professors, and experts from around the world. Nominations are evaluated by award specific committee experts who select the award recipients. This year 35 educators from 16 states and 5 countries have been selected to receive NCGE awards honors.

THE NATIONAL COUNCIL FOR GEOGRAPHIC EDUCATION IS PLEASED TO ANNOUNCE THE FOLLOWING 2018 AWARD WINNERS:

ABOUT THE NATIONAL COUNCIL FOR GEOGRAPHIC EDUCATION: The National Council for Geographic Education is a nonprofit membership organization that works to strengthen the quality and effectiveness of geography teaching and learning. We provide a global forum for educators of all levels to exchange ideas and engage in professional learning opportunities to improve their geography teaching practice. We provide the organizational structure needed to advance research in geography education. We publish journals, the National Geography Standards, and a variety of materials for diffusing research and best practices on geography education. We recognize exceptional educators and supporters in geography education. We lead and support a variety of educational and creative programs to support our members and advance global literacy. Visit www.ncge.org to learn more.
